Communications via RS 232 and RS485 Ethernet Module.

Versatility

Of our devices makes room for a variety of additional features and accessories such as:

Turbo Heater

Condenser Cooling

Thermal Printer

Rack Identification System

Drain Pump

For a Green Future

For a Green Future

As Sterilmed Medical, we want to leave a green future for next generations and we manufacture our products with that sensibility; a zero waste mentality. All materials used in manufacturing our devices are recyclable or eco-friendly and we constantly work on increasing the efficiency of devices for less water and energy consumption.

Washer & Disinfector Equipments

DIN Baskets

Compatibility with ISO and DIN standard storage shelving systems.

Anesthesia Rack

Specially designed inner trolley that is compatible with Anesthesia Medical Equipment / Accessories.

Inner Trolley/ Rack

Grid type loading rack for ISO standard baskets.

Flexibility in height adjustment of the levels maximize load capacity.
Compatibility with ISO standard storage shelves systems.

Slipper Rack

Transport Trolley

Easy load system for stackable baskets and containers.

Compatibility with ISO and DIN standard storage shelving systems.
Availability of height adjustable and fixed height transfer trolley.

Quality Without Compromise

Is our motto and we manufacture our devices assuring their quality in compliance with;

Device Classification:
Class IIb, acc. To EC MDD (Annex II)

Medical Device Directive:
E93/42 EEC as amended by directive 2007/47/EC

Low Voltage Directive:
EN 60601-2-040

EMC Directive:
EN 61326-1

Washer Disinfector Equipment Directive:
EN 15883-1

Sterilization – Washer Disinfector – Large sterilizers:
EN 285

Quality Management System Requirements:
EN - ISO 9001

Medical Devices – Quality management systems –
Requirements for regulatory purposes: ISO 13485

Environmental Management Systems –
Requirements with guidance for use: ISO 14001

Capacity and Dimensions

Model	Chamber (WxHxD) - mm			Litres	Overall (WxHxD) - mm		
WD-8	625	680	600	250	980	1930	820
WD-10	625	680	600	300	980	1930	820
WD-12	625	680	850	350	980	1930	1070
WD-15	625	680	850	400	980	1930	1070
WD-18	625	680	850	450	980	1930	1070

* Single / Double Automatic Vertical Sliding, Tempered Glass Door System options are available.

As the main manufacturer of STERILMED Products, besides Standard STERILMED Model products and designs, visual changes can be made on a project-specific basis.
